

Comenius – 2008/2009 - School Development Project -
T.Y.P.E: Teaching Young People in Europe, their interests, our methodologies

T.Y.P.E: Teaching Young People in Europe, their interests, our methodologies				
Plan for activity n.: 1			Ready by: 30th October	
Activity: Let's know Europe				
Class/es: _____	N.: _____	Boys: _____	Girls: _____	Ages: _____
Aims: - To locate on Europe's blank map the different countries. - To know the capitals and two important cities. - To know different aspects of the countries: people, religion, gastronomy ... - - To describe their own education system: levels, school-timetable, - To describe their free time activities: out-of-school activities, interests, etc.				
Resources / Materials: Europe's Blank map Internet				
Process / Description (How? Products?) 1.Presentation of the project to the pupils: (countries that take part and the cities) 2.Blank map: To locate the countries, the capitals and cities of the project. (Europa's Internet -map) 3.What do they know of every country?: culture, religion, gastronomy, type of government, flag 4.Pupils draw the flag of all partner countries. 5.then we film them: they indicate name, age, place of birth, and the country on which they have worked.				
Teacher's role / Responsibility: The teachers evaluate: Have pupils had problems with the activity? Without looking in Internet, what do they know about the countries				
Teacher's suggestions:				
Contacts outside school:				
Assessment (When): Turkey Meeting
