Project –*

**T.Y.P.E.: Teaching Young People in  
Europe, their interests, our methodologies**

WELCOME

# Backstage

These are some photos from the back stage of the video made by the students.

From the backstage. The Geography Teacher asked Nadir to go and take Some balloons from her drawer to Simulate the solar system. But here Is Nadir...he's always joking!

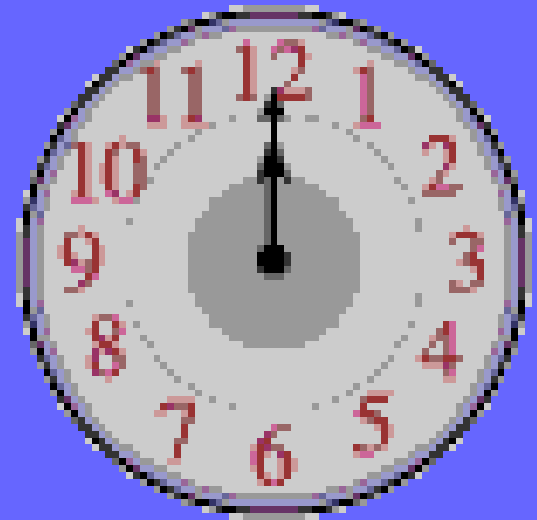

Before coming in the classroom...  
they're trying the performance

I'm the  
best boy  
of the  
school!

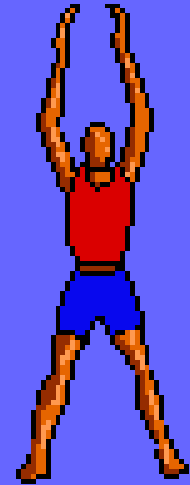

Gigiotto is late.

Before going in his class he tries the scene with Nadir...let's play!

You can't joke with Mrs. Marzetti. Here is what it happens

... then we are

work in  
progress
